Principal's Message

Hello Riverview Families,

It is hard to believe that we are already into November. It was wonderful to see so many families join us for parent teacher conferences. These valuable conferences provide an important opportunity for caregivers to connect with teachers and stay up-to-date on how students are doing at school. If you did not get an opportunity to connect with your child's teacher on either of our early dismissal days, please reach out to arrange an alternate time or a phone call.

We are very excited that our new playground opened in October. If you have not yet had a chance to come and check it out, please do so. The student are loving it!

Mrs. Anne Mummery

Changing Weather

Please remember to dress for the changing weather, especially with our morning becoming colder! Students are expected to have a warm coat, gloves, a hat, and proper footwear for the colder weather. Students will only be kept in on days where the temperature is below -15.

Breakfast Club

All students are welcome to enjoy a healthy breakfast snack starting at 8:00 am in the gym. Children can't learn on an empty stomach. Therefore, at Riverview we are committed to ensuring all students receive the healthy start they need in order to be successful learners. We are partnered with the Breakfast Club of Canada and local community groups to offer a universal breakfast program. Thank you to all for organizing this program.

Bus News

When morning temperatures are at -32 or colder or roads are deemed unsafe due to weather, radio announcements will be authorized by the Transportation Supervisor regarding the cancellation of bus transportation. Also, you can check the bus schedule on the School District 28 website.

When school buses are not running in the morning, they are cancelled for the entire day. Any students at school on a non-bus day will need to have alternate arrangements to be picked up on these days.

PAC

The PAC is an important voice for our students and our school. Without enough parents, the PAC cannot vote on important decisions such as supporting the performing arts performances, equipment purchases and much more. Please come out to a PAC meeting to see what you can do for your child and our school. PAC meetings are the first Monday of the month at 4:30 pm. The next PAC meetings are Monday, November 4th and Monday, December 2nd.

Please check out and like our school Facebook page! Search: Riverview PAC

How to Dress for the Weather Guide

Outdoor play is a great way to support healthy growth and development. Opening the doors to outdoor play in all kinds of weather provides children and adults with opportunities to spark their curiosity, leading to wonder, exploration and learning. When children have the right clothing for the season it contributes to them having positive, rich outdoor play experiences that just can't happen indoors. Get outside, be curious, let children lead and have fun!
