VOLUNTEER DRIVERS – PLEASE READ:

In agreeing to transport students, I am aware of the School District regulations below:

1. Cars volunteered for student transportation must be insured with minimum third party liability insurance of \$1 million dollars and must be properly equipped with seat belts. Each student must have a seat belt properly secured when traveling.
2. The insurance carried on this vehicle is correct for the usual/regular use of the vehicle (i.e. pleasure only; to and from work; business; etc.)
3. The School District has excess third party liability coverage for volunteer drivers, so drivers do not need special insurance coverage to transport students.
4. The School District does not accept responsibility for any damage to the vehicle in the event of an accident.
5. The volunteer driver should ensure that, to the best of their knowledge, the motor vehicle used for student transportation is in good mechanical condition and will only be driven by the volunteer driver.
6. Volunteer drivers must be at least 21 years of age and in good health. The driver should be accident free for at least three (3) years. They cannot be secondary school students. **Drivers must provide a copy of their current driver's abstract to the School Principal with this completed form.**

**** Driver's abstracts are available free of charge at the Provincial Government Buildings located at 350 Barlow Avenue or online at icbc.com***

The vehicle must be equipped with tires and/or chains for winter conditions.

7. For safety and health reasons, volunteer drivers are asked not to allow smoking in their vehicles while transporting students.
8. The driver agrees not to consume any alcoholic beverages, drugs or use any restricted substances while driving which might impair their judgment and invalidate insurance.
